TASTING NOTES

An intense aroma of red wine and rosemary on the nose, with hints of orange. Slightly dry in the mouth with cinnamon overtones. Its sparkling texture combined with a subtle sweetness make this a pleasantly intense sangria. Ideal for drinking without ice and not very cold. Sangría Lolea lets you enjoy the spirit of the Mediterranean with this sangria which has the body of a red wine with citrus overtones, rosemary notes and a cinnamon fragrance. Its subtle sweetness and light spritz make Lolea the perfect sangria for sharing with friends and family. It is best drunk chilled without ice, like a red wine, during the colder months. After it has been opened the bottle should be kept in the fridge, and drunk within a few hours.
